

BLAZE FLEXA 100

PORTABLE LIGHTS

Blaze Flexa 100 tripod work lights are the perfect lighting solution for any on-the-go job. With a quick setup tripod and easy-to-angle luminaires, the Flexa 100 provides light precisely where you need it.

Whether camping under the stars or working on a mobile project, these water-resistant lights are compact and stow easily in their carry bag for reliable luminosity wherever life takes you.

More than just a light, each Blaze Flexa 100 also features an integrated USB port, allowing you to charge mobile devices directly from the light. An included charger, cable, and carry bag complete the package so you've got one-light solutions for work, play, or adventure anytime, anywhere.
