

# SABRE SLIMLINE

## LED LIGHT BAR

These slimline single and dual line lightbars are 50% brighter than others on the market due to side-reflecting optics for excellent performance and full forward brightness. An integrated front cover gives better dust and water proofing and is easier to clean. These lightbars represent great value for money and are available in a range of wattages.

**50,000 HOUR  
LIFESPAN**

- ✓ **3 year warranty**
- ✓ **50% brighter due to novel side reflecting optic system**
