

ZEUS SERIES

LED LIGHT

The Zeus Series LED Light Fixture is a versatile and efficient LED batten designed for durability and performance. It features a sleek design with stainless/plastic clips and offers 24W (2400 lm) or 48W (4800 lm) options using high-performance 2835 LEDs. A color-changing dip switch allows you to select between warm, neutral, or cool white light, making it adaptable to various environments. It also offers an optional emergency battery backup for added reliability.

IP65 RATED WATERPROOF
